## My experience with Trance and EDM

I started listening to EDM back in 1999 when I first heard the Essential Mix Live with Paul Oakenfold from Gatecrasher and Global Underground 014: Hong Kong by John Digweed.

As a student I was trying to find more and more music influences, then I realized that Trance and Progressive was my genre for life and I start going to parties.

From 2001 until now I have heard hundreds of djs most of them Internationally acclaimed , such as Armin Van Buuren, Tiesto, Sasha , Digweed, Paul Oakenfold, Paul Van Dyk, Ferry Corsten, Aly & Fila, Yahel, Umek, Simon Patterson, David Morales, Above & Beyond , Terry Francis, Faithless, Gabriel & Dresden, Alex M.O.R.P.h. , James Zabiela etc.

My whole life revolves around Trance music and I have attend some major events such as

Tiesto at the Olympic Games

Tiesto in Concert 2004

Tiesto Elements of life 2007

Armin Van Buuren Ibiza 2008 (8 hour set and pre-party)

Trance Energy 2010

Luminocity Amsterdam 2010

Energy 2011

We are one Festival Berlin 2015

And all the events in Athens and Mykonos in Greece

I am curenly working with Vandit Records as a freelancer providing them the everyweek video for there releases and any graphic design they need.

I also participate to the lyric videos of Politics of Dancing 3 Complication by Paul Van Dyk.

Recently i produced the video for the interview of Armin Van Buuren at Mykonos for the Armin Van Burren Greek Fan Club

My love for trance is massive, as you see my room is designed properly, and I want to be a part of delivering the sensation and the love of trance threw graphics and help you make the world a big dance-floor. All this years I am try to help all the producers in Greece to make their sound known worldwide and I am helping them with my designs , making for them graphics, illustrations and videos in order to promote their work. I have made all the promotion videos for the Greek Trance events and the promotion video of Armin's Fan Club in Greece , when we where trying to bring Armin Only in Greece.

Now I believe is my time to shine and make my art known wordwide.

I am willing to work hard and deliver anything you ask me.

Thank you
